Developing Interventions for FBA-BIPs

	SETTING EVENT(S)	ANTECEDENT(S)	BEHAVIOR(S)	CONSEQUENCE(S)
FBA SUMMARY				
POSSIBLE INTERVENTIONS	SETTING EVENT MANIPULATIONS • _____ • _____ • _____ • _____	ANTECEDENT MANIPULATIONS • _____ • _____ • _____ • _____	BEHAVIOR MANIPULATIONS • _____ • _____ • _____ • _____	CONSEQUENCE MANIPULATIONS • _____ • _____ • _____ • _____

<u>Directions</u>: Fill in the setting events, antecedents, behaviors, and consequence based on the results from the FBA. Then for each of the four terms from the FBA (setting events, antecedents, behaviors, and consequences), the team should list at least 3 possible interventions that should reasonably be expected to improve behavior. The team will then select at least one intervention/ manipulation for each of the four terms for inclusion in the FBA-BIP.
