Instructions for Students Seeking Credit (this is a 1 credit course only)

- For all students registering for credit: You must receive a permission code from Dr. Buchanan in order to register for course credit. You can receive a permission code once you have completed the registration form below (on p. 4) and paid the $35 conference registration fee. You are responsible for registering for the course once permission has been electronically entered by Carol Seifert (Psychology Department Administrative Assistant). You may register anytime before March 26, 2015.
  - Please turn in the registration form and $35 registration fee to Dr. Jeff Buchanan or Christina Omlie in Armstrong Hall 23.

- Some students will need to pay for course credit in addition to paying the $35 registration fee. See below to determine if you need to pay tuition.
  1. **For MSU undergraduate students currently registered for 12-17 credits**, there is no charge for course credit (you still must pay the $35 registration fee)
    • Note: if you are currently registered for 18 credits and the conference represents your 19th credit taken, you will need to pay tuition for this credit
  2. **For MSU undergraduate students currently registered for less than 12 credits OR 18 or more credits**, go to the following website to determine tuition fees:
  3. **All graduate students are required to pay tuition.** Please go to the following website to determine tuition fees:

- If you need to pay for course credit, please go to the following link for instructions about how to pay bills online:
  - http://www.mnsu.edu/campushub/myaccount/

- To receive course credit, students must attend both days and write a short paper. Please turn paper into Dr. Buchanan by May 4th, 2015.
  - A syllabus will be emailed to you about 1 week before the conference outlining the requirements for the paper. Syllabi will also be available at the conference.
